Success stories from some of our clients

1400 Hours Gained

"Each search increased productivity by 10 minutes over older antiquated methods; it's provided us with nearly 1400 hours of improved productivity per month."

– *Sr. Manager, Architecture*

YRC Worldwide

Zero Production Bugs

"Since we have installed **SMART TS XL** in the Pier1 IT division, the number of errors during our production implementations has dropped to almost zero."

– *Chief Information Officer*

Pier 1 imports®

Real-time Response

"We were introduced to **SMART TS XL** at the perfect time. We needed a tool to assist us to diagnose, solve, and prevent failures, that could enable us to easily respond to problems in real-time."

– *Head of Software Engineering*

bank hapoalim

100% ROI in a Month

"Just in the pilot period, JP Morgan WSS executed over 17,000 searches, thus paying for **SMART TS XL** many times over."

– *Vice President, IT and Services*

JPMorgan

$7 Million Savings

"We have reached savings of $7 million in MIPS, and we expect that number at the end of the year to touch $10 million in savings."

– *Vice President, IT*

citi

From 60 to 6 Hours

"A task that previously would have taken between 60-120 hours, with the use of **SMART TS XL** now takes 6 hours."

– *Sr. Software Engineer*
